Now taking school bookings (New - low season prices for 2023/24)

Working in partnership with schools, we provide a range of bespoke outdoor learning activities within the natural environment of Whitlingham Country Park, part of the Broads National Park.

Benefits of our programme includes:

- personal and social development
- improved communication skills
- boosting confidence and self esteem
- developing leadership skills
- building an understanding in caring for the environment

..... PLUS LOTS OF FUN !!

High Quality Outdoor Learning, with all activities complying to industry standards with National Accreditation.
